

Kankakee Community College

Hello Roger,

You are receiving this email because

- You are enrolled at KCC for the Fall 2021 term

Kankakee Community College is distributing a little more than \$3 million in federal aid to current students for costs incurred on or after March 13, 2020, the date on which the President declared a national emergency due to the COVID-19 pandemic. [ARP: American Rescue Plan \(HEERF III\)](#) may be used for any component of the student's cost of attendance or for emergency costs that arise due to the coronavirus pandemic, such as tuition, books, transportation, food, housing, health care (including mental health care), or child care.

KCC students who were enrolled during the fall 2021 are eligible to apply for ARP funds. To be eligible, students don't have to already be receiving financial aid. For those who do receive financial aid, receiving ARP funds will not affect that money.

Funding is available for credit division students, as well as non-degree seeking, non-credit, dual enrollment, and continuing education students. Students who are qualified aliens, international, and DACA are also eligible. KCC students continue to have an opportunity to apply for Emergency Funding from the KCC Foundation. Students may contact the KCC Financial Aid Office for more information on emergency funds.

To apply for ARP: American Rescue Plan (HEERF III) funding please complete our [online application](#).

Please know that during this time of uncertainty, KCC is committed to supporting all students. If you need additional assistance, please contact the Office of Financial Aid at finaid@kcc.edu or phone 815-802-8550. Si desea ayuda en español: 815-802-8557.

Sincerely,

Kankakee Community College

Office of Financial Aid
