

Kankakee Community College

Hello Greetings!,

You are receiving this email because

- You are enrolled at KCC for the Spring 2021 term

Kankakee Community College is distributing a little more than \$633,000 in federal aid to current students for costs incurred on or after March 13, 2020, the date on which the President declared a national emergency due to the COVID-19 pandemic. [CRRSSA: Higher Education Emergency Relief Fund \(HEERF II\)](#) may be used for any component of the student's cost of attendance or for emergency costs that arise due to the coronavirus pandemic, such as tuition, books, transportation, food, housing, health care (including mental health care), or child care.

KCC students who were enrolled during the spring 2021, or who are registered for the upcoming summer or fall 2021 semesters, are eligible to apply for CRRSSA funds. To be eligible, students don't have to already be receiving financial aid. For those who do receive financial aid, receiving CRRSSA funds will not affect that money.

Funding is available for credit division students, as well as non-degree seeking, non-credit, dual enrollment, and continuing education students. Students who are qualified aliens are also eligible. The funding, however, is not available to select groups, including international and DACA students, according to the relief fund guidelines. These student populations have an opportunity to apply for Emergency Funding from the KCC Foundation. Students may contact the KCC Financial Aid Office for more information on emergency funds.

To apply for CRRSSA-HEERF II funding please complete our [online application](#).

Please know that during this time of uncertainty, KCC is committed to supporting all students. If you need additional assistance, please contact the
